

FASD Pebbles Training Workshop

Facilitator:	Wanda Beland
Date:	August 31 2011
Time:	9:00 am-5:00 pm with a 1 hour lunch break (lunch is NOT provided)
Location:	TBA
Reg Fee:	\$75.00/person

The core information in “**Pebbles**” provides a framework for linking brain function with behavioural symptoms. This understanding is essential for working with individuals who are affected with *Fetal Alcohol Spectrum Disorder*. “**Pebbles**” provides information and tools to help caregivers, agencies and service providers to better support individuals who are living with FASD.

Workshop Sections Include:

- Brain Behaviour Link
- Linking Brain Function with Behaviour
- Poor Fit, Good Fit
- Creating a Good Fit
- Supports & contacts

Audience:

- This workshop is designed for anyone working with or caring for individuals with FASD.
